The meeting was convened by Kirk DeHeer at 7:00 pm in the Craft Supplies USA facility with 41 people in attendance.

Stuart Davey announced that the Utah Association of Woodturners are conducting a Super Saturday workshop featuring Keith Gotschall on 29 August at MacBeath Hardwood in Salt Lake City. The event will run from 9:00 am to 4:00 pm and pre-registration is required with a fee of \$25 per person. Only 40 spots are available so prompt action is recommended. Kirk presented the finished and engraved Timp Woodturner of the Year award to Dale Dallon with thanks for the services Dale has rendered to the club throughout the year. The award is a half-inch bowl gouge with a beautiful fiddle-back maple handle turned by Kirk DeHeer.

Four new members were added to the club: Greg Randall from Heber, David Randall from Orem, and Dave and Sherrie Best from Bountiful. We welcome them to membership.

Beth Denner provided a demonstration of her techniques for turning miniature bird house earrings. She provided a handout of the key steps which will be posted in the club website along with supplemental demonstration notes in the near future.

Stuart Davey conducted the show-and-tell feature of the meeting and the drawings for the wood exchange.

The meeting adjourned at 8:45 pm.
