

Timp Woodturners Association
Meeting Minutes
10 February 2010

The meeting was convened by Stuart Davey at 7:00 pm. President Kirk DeHeer was in St. Louis on woodturning business.

Doug Stout, Elden DeHann and Brad Dew were welcomed as new members. Our club membership now stands at 77. Brad Dew described a charitable fund raising auction being organized by his neighborhood to assist a family of eight children whose father died in an auto accident recently. Members were invited to donate turned items that could be sold at the fund raising auction. For more information, please contact Brad. His phone number is 801 400-6336.

Raleigh Lockhart presented a demonstration on skew techniques and turned a tool handle using only the skew. Notes from that demonstration will be posted on the club website www.timpwoodturners.org in the near future.

Stuart Davey conducted the Show and Tell portion of the meeting. Thanks to Robert Anderson, Leonard Cleveland, Dale Dallon, Brad Dansie, Joe Ford, Lynn Jacobsen, John Kartchner, and Doug Stout for showing some of their nice work.

Robert Anderson conducted the drawing for the wood exchange.

The meeting adjourned at 8:45 pm.

Respectfully submitted,

Dale S. Dallon
