

Timp Woodturners Association
Meeting Minutes
14 September 2011

The meeting was convened by President Kirk DeHeer at 7:00 pm with good attendance.

Kirk expressed condolences to Dale Nish whose wife passed away last week.

Kirk also reminded members who had not already renewed their memberships that dues are now payable for the 2011-12 fiscal year. Thanks go to Ron Humphries, Assistant Treasurer, for collecting dues from 11 members during the meeting.

Beth Denner, recipient of the Timp Woodturners Association Woodturner of the Year award in 2010, presented this year's award to John Kartchner. Congratulations, John, and thanks for your steadfast support of the Timp club in addition to the Utah Woodturners and the Ogden group as well. The award Beth created and presented to John was a beautiful hour glass in a walnut frame. Well done, Beth!!

John Kartchner provided an instructive demo of the miniature flowers he turns from Colorado Aspen. These have been displayed a number of times in our own club's show and tell as well as at the Utah Symposium and other locations. John described how he creates the flowers, assembles them into bouquets, and into miniature vased-bouquet ornaments. John has provided his own demonstration notes which soon will be posted to the club website, www.timpwoodturners.org.

The demo for the October meeting will be given by Vladimir Schartzman who will show us how he creates the petal-rimmed bowls with branch sections. The November demo will be presented by Kip Christensen.

Several members displayed projects in the "Show and Tell" feature. These included: Robert Anderson, Dave Best, Leonard Cleveland, Dale Dallon, Mike Hill, Gary Mendenhall, and Vladimir Schartzman. Thanks for sharing your work and ideas with the club.

Robert Anderson conducted the door prize drawings. Thanks to all who donated items as door prizes, including Craft Supplies USA.

The meeting adjourned a little after 9:00 pm.

Respectfully,

Dale Dallon
Secretary/Treasurer
